

Aurora Group of Institutions

Aurora Group of Educational institutions are established by Aurora Educational Society in 1989 beginning with Aurora's Degree and PG College and gradually spread into varied disciplines. The Group of Institutions now, offer quality education in the fields of Engineering, Arts, Science, Commerce, Management, Computer Applications, Architecture and Law. Having a gross student enrolment of 8000 per annum and 15000 students studying across the campuses and around 75000 alumni spread across the countries 'Aurora' is continuously striving to open new vistas in higher education.

About the College

Aurora's Post Graduate College is established in 1995 under the aegis of Aurora Educational Society. The college is affiliated to Osmania University and approved by All India Council for Technical Education-AICTE, New Delhi. The college offers MBA, MCA and five years Integrated MBA Courses. The college is well known for academic excellence, all round development of students with comprehensive teaching learning methods and round the year student activities.

Teaching Learning Process

'Aurora' is known among the student community for its best teaching learning practices. The Teaching Learning Process is a comprehensive coverage of traditional class room teaching through lectures, tutorials and remedial classes, interactive teaching learning through case studies, group discussions, student seminars, debates, quizzes and role plays that encourage high student participation, experiential learning modules that encourage students to learn the concepts through practice like industry internships, project works, industrial visits, on the job training etc and supplementary teaching methods that include training on discipline, attendance, soft skills development, mentoring and counseling on various curricular, co-curricular and extracurricular activities. Along with these, an extensive training and grooming of all round personality of students is done through modules of content beyond syllabus. Online Learning is enabled through NPTEL, edX and SWAYAM platforms.

Infrastructure

The institution has sprawling campus, well connected to all parts of the city through public transportation. The classrooms are equipped with Information and Communication Technology facilities like projectors, wifi network, with remote access to campus cloud that shares content on instructional and information resources. The computer labs and library are enriched with latest technologies and databases. The Learning Management System (LMS) enables online learning and faculty student interaction round the clock. The entire campus is under security surveillance to ensure safety and security to the students and staff along with barrier free environment.

Industry Interaction

Industry interaction is an essential element for the updation of knowledge and skills of the students that makes them more industry ready and highly employable. The students of the institution is provided with an opportunity to interact with various experts of industry through guest lectures, industrial visits, industry academia conclaves and other interactive platforms.

Placements

Aurora provides 100% placement assistance to all the eligible students with lucrative employment opportunities. The students are provided with a 60 hour intensive Campus Recruitment Training (CRT), consisting modules of arithmetic, verbal ability, communication skills, resume writing, logical reasoning along with industry specific modules of recruitment training. The Indian Corporate Giant 'ITC' has recognised the colleges as 'Preferred Destination for Campus Placements'. More than 50 corporates regularly visit the campus for placements and recruit the students from MBA and MCA disciplines.

Entrepreneurship Development

'Self Employment is the Best Employment'. This is the era of startups with more and more number of students opting Entrepreneurship in place of employment. The institution also encourages student entrepreneurship through Entrepreneurship Development Programs, orientation, training and mentoring programs in association with Confederation of Indian Industries, Bharatiya Yuva Sakthi Trust, National Small Industries Corporation etc. Training is also offered to procure seed capital for the establishment of own enterprises in association with banks and financial institutions.

Memorandum of Associations (MoUs)

The Institution is having MoUs with many Industries and business houses that offer Industrial training, Internships, placements, entrepreneurship training for the development of students. To quote a few are Young Indians, Vox Populi International, Harrison Assessment Int., Berkadia Financial Services, Karvy Fin. Services, Business Standard, National Small Industries Corporation, Resource Recycling Company a wing of ITC, Armstrong Tyres, Fratello Innotech, etc.

Professional Memberships and Associations

The Institution is professional associates of All India Management Association (AIMA), Hyderabad Management Association (HMA), Confederation of Indian Industries (CII), National HRD Network (NHRD), Computer Society of India (CSI), International Association of Engineering and Management Professionals (IAENG) etc which enables exchange of knowledge and skills between the Industry and academics.

Student Activities

The Institution hone the skills of students round the year with a wide range of student activities through various professional, general and talent clubs. The professional student clubs include Management Club, Information Technology Club, Finance Club, Marketing Club, HR Club, while the talent clubs and general clubs include Cultural Club, NSS Club, Social Service Club, Women Empowerment Club, Nature Club, Photography Club, Fine Arts Club that organize various events round the year. The clubs are headed by student coordinators with supporting faculty mentors.

Functions and Celebrations

Aurora celebrates all National festivals with patriotic spirit spreading unity and harmony among students. All the events are named appropriately representing the theme of the event; Aekshaa – Annual Day, Samarth – Convocation Day, Alaap – Induction Day, Abhiyakti – Management Meet, Tech Buzz – IT Meet, etc., which attract enthusiastic student participation.

Academic Excellence

The Institutions are recognised all over the country for their academic excellence. The faculty are highly qualified with rich academic, Industry and research experience. The student progression is very high with more than 95% of graduation rates since Inception in 1995. The students regularly bag a couple of Osmania University Top Rank both in MBA and MCA disciplines. The top rankers are awarded with Gold Medals and Merit Certificates every year.

Aurora constantly is in the forefront in accomplishing scholastic excellence. The success of our graduates in securing **University Top Ranks** every year, since the inception of the institutions accentuates this fact.
